Irrigation Water Management of Commercial Landscapes

October 7, 2009
Victoria, Texas

Conducted by the

**Texas A&M School of Irrigation
Irrigation Technology Center**

DATE AND TIME

October 7, 8:30 am -5 pm

COURSE DESCRIPTION

Irrigation Management of Commercial Landscapes

Topics include: (1) water supply issues in Texas, (2) irrigation auditing, and (3) how to produce irrigation schedules which conserve water while promoting quality landscapes. Students are introduced to irrigation auditing concepts and receive hands-on experience by testing an actual irrigation system. This course will be useful for landscape contractors, licensed irrigators and managers of large irrigated turf areas, as well as anyone interested in landscape irrigation and water conservation.

SOFTWARE:

Registration includes a copy of the *Texas Irrigation Scheduling Software*.

WHO SHOULD TAKE THIS COURSE

The Commercial Landscapes course is essential for anyone responsible for designing or managing irrigation systems on urban landscapes such as residential lawns, sports fields, parks, commercial properties and golf courses. The course will also benefit municipalities and city water utility personnel, particularly those interested in developing urban water conservation programs.

This course is approved for Texas Nursery Landscape Association (TNLA) Education Credits, 8 Hours.

CONTINUING EDUCATION CREDIT

The TCEQ has approved the offered course for 8 hours of *continuing education credits* for **Licensed Irrigators**.

What To Bring

Students should bring a calculator and materials for taking notes. Dress appropriately for outdoor fieldwork (including rain gear). While not necessary, students are welcome to bring lap top computers for use in this class

The Texas A&M School of Irrigation

is a program of the

Texas AgriLIFE Extension Service

and the

Irrigation Technology Center,

administered through the Biological and Agricultural Engineering Department, Texas A&M University, College Station.

Educational programs conducted by the Texas AgriLife Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin. The Texas A&M University System, U.S. Department of Agriculture and the County Commissioners Courts Texas Cooperating. April 2004. <http://agrilife.tamu.edu>
