

Soil Moisture Sensor Management

Review the 4 Corn Farm Soil Moisture Graphs (Hoffman Farm, Leopold Farm, Gold Farm & Mahalitic Farm)

1. Did the Hoffman Farm do a good job of managing soil moisture? If not, what could they have done differently?
2. Did the Leopold Farm do a good job of managing soil moisture? If not, what could they have done differently?
3. Did the Gold Farm do a good job of managing soil moisture? If not, what could they have done differently?
4. Did the Mahalitic Farm do a good job of managing soil moisture? If not, what could they have done differently?
